Recycle & Trash Guidelines

Secure Your Load

You are responsible for items that fall from your vehicle. *ARS 28-1098

Bag ALL household trash.

Un-bagged trash can become windblown litter before it reaches the landfill and may endanger the environment. Maricopa County requires all household trash to be bagged before acceptance at the transfer station.

*ARS 49-762.07.

Please Bring Proper Payment

We only accept Credit / Debit cards. We no longer accept cash.

Clean Up After Yourself

Please keep the area clean for others

DO NOT Bag Your Mixed Recycling

Bagged recycling can disrupt the sorting process at the processing facility due to the plastic film clogging the machines. Shredded paper may be bagged in a CLEAR plastic bag and placed in the recycle bin.

Do Not Place Trash in the Mixed Recycling Bins

Trash can clog and break the sorting machines

Do Not Contaminate the Recycling Bins

Please read all of the signs for placement of waste or just ask an attendant for help.

Ask An Attendant

Please ask the attendant if you are unsure of anything or have any other questions.
